**Mission**

*Following the beliefs and desires of Leon N. Weiner, the Leon N. Weiner Education Foundation provides educational assistance to children of low-to-moderate income families to help them achieve their highest potential and become confident, accomplished, fulfilled individuals and productive members of society.*

Dear Friend:

2019 marks a milestone for the Leon N. Weiner Education Foundation - our 15<sup>th</sup> year. In just the last three years, the Foundation has awarded \$392,000 in scholarships to advance the education of so many deserving children and young adults from Leon N. Weiner & Associates affordable housing communities.

We are proud of our success and the positive impact these scholarships make in the lives of the recipients.

**What can you give to help a financially disadvantaged person achieve their dream of higher education?**

100% of all donations are utilized to help educate current and future scholars. We all know that higher education costs continue to rise. Your gift can help these scholars achieve their dreams. Scholarships help ease the stress associated with financing an education and allow the recipient to focus on learning.

Please take a moment to peruse the enclosed newsletter. In it you will find stories about our recent graduates and how their LNWEF scholarship has helped them.

**Please consider a generous donation to help us continue our work.**

Feel free to contact us if you have any questions at [LNWSCHOLARS@VERIZON.NET](mailto:LNWSCHOLARS@VERIZON.NET) or visit our website at [www.weinereducationfoundation.org](http://www.weinereducationfoundation.org).

Sincerely,

**KEVIN KELLY**  
President
